Il Direttivo ed il Comitato Scientifico GISCoR (gruppo italiano screening coloretale)

Dear Sir or Madam

We, Eiken Chemical are all deeply shocked to hear of the sudden death of Dr.sa Grazia Grazzini. We received many kind supports from her and cannot thank her enough although we have lost the opportunity to tell such feelings to her forever.

Please accept our heartfelt condolences and to convey our deepest sympathy to her family and associates of GISCoR.

Sincerely yours,

Hisato Idekoba
